Seagar's has long been acclaimed for its 600-label wine list, tableside food preparation and nightly live entertainment. The restaurant's interior takes on richer hues of the blue and green surroundings while adding sophisticated touches of platinum and sandy tones with traditional Brazilian cherry and mahogany accents.
Prime Selection	Best-known for sourcing an expert selection of perfectly cut and presented USDA prime meats, Seagar's offers filet mignon, rib eye, porterhouse, New York strip and steak Diane – prepared tableside – for guests to enjoy. A unique fire feature at the entrance of the restaurant, the open-theater kitchen, an award-winning piano player setting the tone for the evening, and world-class service from a full server team in addition to a lead known as a captain, every detail is expertly presented.
